Itinerary:

Day 1: You will begin the journey at Skukuza Airport, Kruger National Park (SZK) where you will be picked-up and go to a 4 star Safari Lodge at Skukuza only 15 minutes away for your stay of 2 nights. Get ready for a 3 hour afternoon/sunset guided open-vehicle safari drive after check in. Enjoy dinner at a restaurant on your return.

Day 2: An early morning safari into the Kruger National Park on open safari vehicles starts at about 5am. You explore every possible opportunity to view the spectacular wildlife scenery. Chances are excellent to spot a variety of some of the estimated number of animals: Lion, Leopard, Cheetah, Wild dog, Spotted hyena, Elephant, Burchell's zebra, Hippopotamus, 3 100, Warthog, Giraffe, Buffalo, Eland, Roan antelope, Sable antelope, Greater kudu, etc. This is followed by breakfast at the lodge, and then you can relax at a pool, do optional activities like spa treatments and enjoy lunch at one of the other Skukuza restaurants. An afternoon/sunset guided open-vehicle safari drive to experience the nocturnal life in the park follows at about 4pm. Dinner will be served on the deck at the Cattle Baron from 7pm.

Day 3: Another early morning safari into the Kruger National Park on open safari vehicles starts at about 5am, or you can do an optional early morning walk if available:

Two armed field guides accompany you on the walk in order to ensure your safety, they will focus on the things that you will usually not be able to see from a vehicle.
