3 day Luxury Pilanesberg Safari

Less than a two-hour drive from Johannesburg and situated at the malaria-free, Big-5 Pilanesberg National Park, lies one of the most unforgettable bush getaways in South Africa.

The park is home to healthy populations of lion, leopard, black and white rhino, elephant and buffalo – Africa’s “Big Five”. A wide variety of rare and common species exist with endemic species like the nocturnal brown hyaena, the fleet-footed cheetah, the majestic sable, as well as giraffe, zebra, hippo and crocodile, to mention but a few. Bird watching is excellent with over 300 species recorded.

Stay in a luxury 4 star+ Bush Lodge that offers a unique bush getaway experience with a pool and various amenities. The lodge’s game drives and bush boma dinner are particularly popular. The Full Board rate includes 2 game drives per person per night’s stay. Under the guidance of experienced rangers, guests can learn all about the fauna and flora of the local area, all from the comfort of a specialized vehicle. Other activities are guided tree & bird walks, Junior Rangers and snake demos for kids so the whole family will be entertained from beginning to end.

On Saturdays and Wednesdays, Bakubung offers guests a unique dinner dining experience under the stars. Be escorted into the reserve by our rangers where you will enjoy a beautiful boma dinner set around the fire and illuminated by the golden glow of lanterns. This is a sure way to enjoy deliciously handcrafted cuisine while surrounded by the wild.
